O R D E R

On April 24, 2000, Crown Communication Inc. and Kentucky CGSA, Inc. ("Applicants") moved to withdraw their application for authority to construct a wireless telecommunications facility at 4275 Todds Road, Lexington, Fayette County, Kentucky. As the basis for their motion to dismiss, Applicants state that withdrawal of this application would afford them additional opportunities to explore potential alternate sites. Further, Applicants request that they be allowed to submit a new application when an alternate site is located.

Based on the motion and being sufficiently advised, the Commission finds good cause to allow the application to be withdrawn. When and if an alternate site is located, Applicants may submit an application for authority to construct such site.

IT IS THEREFORE ORDERED that the motion to withdraw is granted and this case is dismissed without prejudice.

Done at Frankfort, Kentucky, this 1st day of May, 2000.
